

Welcome to Term 3 at North Geelong 2019

Welcome to Term 3. We are so proud of how hard our students have continued to work. This term our topic is AUSTRALIA. Students are learning about the states, capital cities, landmarks, animals, stories and early history. We are talking about where we live in Australia and what great places we can visit around Geelong and Melbourne.

Library and Sport sessions are on Thursdays for both classes. Students should wear their sport uniform every Thursday.

We have some exciting days coming up in the next few weeks. Notes will be sent home soon. There are no costs.
